FOUNDATION**

gTO₂ is Toronto's 'Green Tie' event hosted annually by the Toronto Parks and Trees Foundation. Now in its second year, this event provides the Foundation with a platform to raise funds and awareness of the need to sustain our public green spaces – the parks and trees that make urban living healthier and add beauty to the place that we live and/or work in.

gTO₂ will be a cocktail reception held from 6 to 9 pm on May 11, 2009 at historic Casa Loma. In keeping with the character of the grand house and gardens, the event will be an elegant affair, where business and festive attire is encouraged, specifically with Green Ties or their equivalent. The cocktail reception will feature an ample selection of hors d'oeuvres and drinks. In the spirit of the evening, presentations will be made and generous prizes will be announced throughout the entire evening.
