

See The Forest For The Trees: Help Double Toronto's Tree Canopy.

Research shows that for every dollar spent, approximately \$17.50 will be returned as avoided costs for energy supply and air pollution control. This total also takes into account the other environmental and social benefits associated with planting trees, such as increased property value and scenic quality, and improved human health and well being.

Title	Donation	Urban Forest Enhancement
Toronto Tree Planter	\$60	One small tree in natural area
Toronto Tree Hugger	\$642	One large tree in park, boulevard or natural area
Toronto Tree Friend	\$2,400	Four large trees or forty small trees

Please inquire about other donation amounts.

Your donation covers the cost of pre-planting site and soil preparation, planting and after care to ensure the tree's survival.
